Transcript

Three weeks later.

Ella goes back to doing her what she normally does best. On the other hand Max wants to invite said girl to a school event in order sort out his 'growing' feelings for her.

Scene I.

Takes place in an apartment complex during late afternoon.

Max knocks on a door. Ella is on the other end. He comes in.

They both walk to her room and Ella sits on the desk, Max sits on the bed.

(I'd like for the episode to start with a close up of the room number -- do apartment doors in Newman have them?)

Ella: He sure is early. (walks to apartment door)

Max: (casually leans on doorframe) Hey! I was wondering if I could get your notes for history class. Professor Heinzerling is a terrible mumbler.

Ella: Yeah, they're in my room... Somewhere. Come in.

Max: (Walking to the room) You know there's also this cultural thing going on tonight.

I'm only going for the food and extra credit, but do you want to come?

Ella: (Looking for notes) Sure, why not.

Max: Are you okay? You've been acting weird lately. It's not like you...

Ella: What?

Here are the notes (shoves them into his hands).

That's ridiculous. I'm fine. I've just been thinking a lot.

Max: Really, about what?

Ella: Nothing for you to worry about. (silent pause)
Well actually remember the day when I spilled my coffee?

Max: Oh yeah, you really know how to put on a show.

Ella: I fell in public. Did you get a look at that guy's face. He looked disgusted with me.

(can we show a quick flashback to said event?)

Max: (Feeling a bit awkward) Oh, I bet he wasn't even looking. He's an exchange student from the UK. Quiet guy.

Ella: Wait.

When is that cultural event you were talking about?

Max: At like 5:00? What time is it now?

Ella: (Laughs a little) 4:50, lets get going! (rushes to get purse, sweater and put on shoes) **End.**

Scene II

Max and Ella are walking into the event as the host ends their speech. Ella immediately heads towards the refreshment table. Max follows behind her.

Ella: Ugh we're too late. All the blue M&M goodies are gone.

Max: How do you know they even served those?

Ella: You see here (points to a stain)? Evidence.

Max: (Makes a face) Whatever. Oh hey look its the love of your life.

Ella: What, where!?! Hide me.

Max: So you agree. He's the love of your life. Come now. You're being ridiculous.

(puts a hand on her shoulder)

Look, he's staring at us as we speak.

Ella: (Looks up and sees that Will was not looking at her. She hits Max in the arm). Really? You think that's funny.

Max: **(laughs a little)** You're crazy.

~~He's looking at you again Ella.~~

Ella: turns around again.

(from across the room)

Internal Conversation.

Is that my classmate? What's his name again? Maxie, Mike, Miguel or was it Matt? Oh and he's got a girl with him. She doesn't look impressive. Short. Unruly hair. Brown eyes. What's she doing?

Ella: Is he gone?

Max: Nope. He's still looking at us.

Ella: Let's try for the exit.

Max: What. Why?

Ella: Quick. We need disguises.

Picks up a magazine and puts it on top of her head.

Enter Will. Bumps into Ella as she tries to escape.

Will: Oh hey, didn't see you there. Why are you hiding behind that magazine?

Ella: I uhh ... just thought it would be nice to try the latest fashion trend. All the girls on campus are wearing it.

Will: Oh, yeah I knew that. There's nothing foreign about me.

Ella: Ha! I love your accent. Sorry, I shouldn't have said that. I'm so rude. You probably think me nutters.

Will: No, you shouldn't have. I'm not some One Direction boy band that you can fawn over dammit. Now if you don't mind, I have other business to attend to.

Ella: Hey, don't you want to know my name?

Will: No, I'm really not interested in another member of the British accent fan club.

**Ella: (She's even more frustrated than before. Face turns red.)
are you serious. YOU CANT TREAT ME LIKE THIS!)**

Will: Ummm yes, I can...

Max: What's going on here? Everyone is staring at us now... Oh, hey Will. How's it going?

Will: You're Max, right?

Max: Yeah, that's me. You know Ella?

Will: Her. **(Points to Ella)** No I don't. Is she your girlfriend.
(confused, but serious look on his face)

Max: Not in a million years. Just my friend. **(To Ella)** I need to talk to you. **(Pulls her aside)**

Max: **(Whispers)** What are you doing?

Ella: **(Sarcastic)** Trying to make new friends. What does it look like I'm doing?

Max: It looks like you are harassing a British guy because you want to avenge yourself.

Ella: No... Ok maybe a little... but he started it!

Max: **(Gives Ella a look and then nudges her to go talk to Will again)**

Ella: It's me again...

Will: Yes, it is you. Why are you doing here?

Ella: **(Looks back at Max)** Look, I really have no interest in talking to a guy who will hold a grudge based on the first few words out of my mouth. I know I didn't handle your.. Um.. Dialect... well, but I also know I'm not your type.

Will: I... sonr

Ella: I'm also not interested in someone who acts like you. So I'm going to save both of us some time and leave... **(Walks away)**

Ella exits.

(Max in the background looks like he's shocked)

Will: What the hell just happened?
